

## Important info regarding my replacement

To: Lanteigne,Paul andré

Hello Paul-André,

thank you for the update and sorry I could not make time for you this lunch time as I have a lot to do and finish up for my practicum since I won't be here physically next week. I know you're busy with everything including your family so I will let you decide a time when you'll have 15-20 minutes to bring me up to speed via video conferencing or by phone.

You can reach me anytime at: 51 [REDACTED]

Thank you and have a good afternoon!
