

# Lost and found attachment

NEVER LOSE ANYTHING AGAIN :)

Inventors: Isla and Marianne

Yes my phone. Can you tell me more information about this product please?

#195023314

It's two attachments for all sizes.

It's a red button with two colorful attachments.

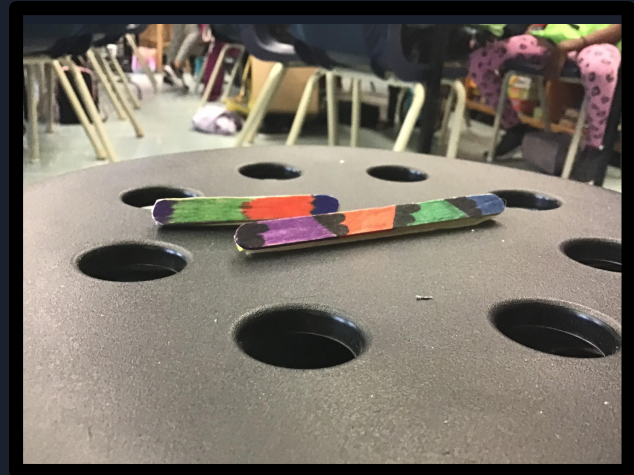

What does it do?

You stick it on what you don't want to lose and then press the button and it comes back to you 😁😁😁.

But which one is which?

In the red square it's the button and in the black square it's the attachment.

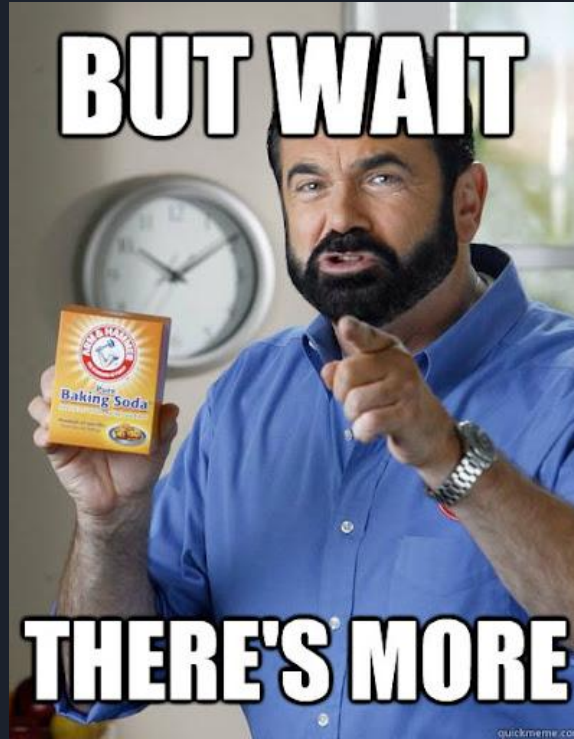

Why should I buy this product?

Because if you lose something you can easily press the button. It can save your life and it's smart. It can support 1000000 KG !!!!!!!

How much does it cost?

WHY ?

Before

After

# And it's just \$25,99!!!!!!!!!!!!!!!!!!!!!!

1. The attachments are purple, orange, green and blue.
2. The button has a green base and a red button.
